C/C++ Developer Senior

Come on an **exciting journey with us**, as we invite you to join the leading of the **cybersecurity revolution**. Hex-Rays, a pioneering **technology-focused company** with a rich heritage, is looking for a **C/C++ Developer** to strengthen its growing team At Hex-Rays, our mission is to develop software tools and address the ever-changing landscape of cybersecurity threats.

WHY CHOOSE HEX-RAYS?

- Hex-Rays is a pioneering software company, notable for developing the renowned reverse engineering tool, **IDA** (Interactive Disassembler).
- We have a history of consistent innovation and updates to our products.
- Hex-Rays is positioned as a **significant player** in the realm of cybersecurity. Our tools, particularly IDA, play a crucial role in analyzing and understanding software, which is essential for identifying vulnerabilities and enhancing digital security.
- We are a tech-focused company that is experiencing **rapid growth**. This suggests a **dynamic and forward-thinking organization**, potentially offering opportunities for professional development and innovation.

Location: Liège BE (full remote work possible for foreigners)

For this position as a **C/C++ Developer,** your tasks will be mainly to:

- Design, develop, test, and maintain high-performance C/C++ applications.
- Focus on brainstorming and developing new products.
- Implement and optimize algorithms to ensure the highest level of software performance.
- Work on bug fixing and improving application performance.
- Proficiency in scripting (especially Python) to customize analyses and automate tasks.
- Ability to search for vulnerabilities and identify security flaws in applications and systems.

To be able to achieve these tasks the requirements are:

- **Ideally 5 years of** practical and **fluent knowledge in C/C++**
- Bachelor's degree in computer science or equivalent practical experience.
- **Take initiative**, and participate in making our software even more outstanding.
- Having a real interest in low-level development.

Enhance your career by joining our dynamic team. Consider working with the best in the industry, absorbing their expertise to amplify your own. **Don't settle for a job, live an adventure** where your experience is valued with an attractive base salary, and tempting performance bonuses.

Ready to go further? Send your CV to **jobs@hex-rays.com** and let the journey begin.
